ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional Custodians of the lands on which this conference will be held. We pay our respects to the Elders past and present and extend that respect to all First Nations Peoples. We reflect upon the millions of footprints that are embedded into the earth from our Ancestors, the pathways that were forged, the meaning they leave behind and the continuation of the traditions through the next generations.

ABOUT THE HOSTS

Multicap, Open Minds, and Allinto are leaders in disability and mental health services and supports. They operate across Queensland, New South Wales, and Victoria.

With a combined history of more than 175 years, Multicap, Open Minds and Allinto understand that giving direct support workers and support coordinators opportunities to learn and lead delivers an invaluable contribution to the industry. They are driven by their passion to improve social outcomes and enhance community support.

Multicap, Open Minds and Allinto proudly host the conference to provide a unique and affordable opportunity for support workers and support coordinators to engage with industry leaders, practitioners and peers, while preparing a workforce for practice excellence in a changing and sometimes challenging industry.

THE CONFERENCE

The Direct Support Worker Conference is Australia's premier disability and mental health support worker educational event, attracting more than 200 support workers each year.

The conference is specifically designed to engage and empower support workers and support coordinators in the disability and mental health sectors. This is achieved by providing practical, industry-related workshops and educational sessions to boost their professional development.

Delegates travel from all over Australia to attend this event for the opportunity to network, upskill and learn to deliver the best service to their customers. With the increased attendance and reach comes a fantastic opportunity for organisations to build brand awareness to a highly engaged audience.

The 2024 Annual Conference attracted more than 200 delegates and it is anticipated that the 2025 conference will reach upwards of 250 attendees.

THE VENUE

Rydges South Bank is a versatile and elegant venue. Conveniently located in the heart of Brisbane's arts and entertainment precinct, close to Brisbane CBD and public transport, as well as world class accommodation and dining options.

PROGRAM

The 9th Annual Direct Support Worker Conference will deliver another exciting and informative program. The program will include:

- keynote speakers
- breakout sessions
- workshops
- case studies
- panel discussions

All delivered by leading experts in their respective fields.

The 2025 program brings together leading practitioners, clinicians and researchers from many areas of the disability and mental health sectors. There will be abundant opportunities to connect with colleagues and build new networks.

Breakout sessions and workshops will be run by leading academics, researchers and practitioners, providing useful insights and skills for support workers.

Returning as MC in 2025, broadcast news journalist, Kim Skubris, will expertly tie together learnings throughout the conference.

WHY SPONSOR

Sponsoring the Direct Support Workers Conference will provide you with opportunities to increase your brand exposure, gain knowledge and directly access Australia's support worker community.

Along with raising your profile, your support will impact the quality of life of people with disabilities and mental illnesses.
